

ENVIRONMENTAL POLICY

TKM Builders Pty Ltd is committed to leaving a positive environmental legacy wherever we have a presence.

We are committed in eliminating any negative impact to the environment and complying with all environmental legislation.

We will seek to exceed compliance requirements wherever possible through the setting of new benchmarks in environmental management. We believe in the values, and demand the behaviours, that underpin this commitment.

In demonstrating every opportunity to have a positive impact on the environment we will;

- ✓ Fully evaluate and manage all environmental aspects of our operations;
- ✓ Deliver projects with our future generations in mind;
- ✓ Demand accurate and reliable data to measure and report our operations;
- ✓ Environmental considerations will be part of all investment decisions; and
- ✓ Prevent pollution, eliminate the release of harmful or toxic emissions, protect biodiversity and land quality, and minimise the generation of waste across our operations.

We at TKM aim at achieving continual environmental improvement through implementing a management system with objectives and targets to:

Minimise our environmental footprint by working with staff and other stakeholders through pollution prevention practices in compliance with legal and other requirements and be a role model for others to follow.
